TOTAL CPE HOURS REPORTED		

***Effective January, 2009, a minimum of 16 hours must be in either Accounting, Audit or Taxation.** 50% or more of the required 80 hours of CPE must be in either A, T, M or B. No more than 20 CPE can be **introductory** computer-related courses.

I certify that the above information is true and the CPE courses contribute directly to my professional competence as a CPA. I understand that CPE credit is subject to approval and review by the Board of Accountancy, and that I will retain all documentation for three (3) years following this registration.
